I was born In Liverpool, England but I grew up in Alicante Spain so I am also fluent in Spanish. I used to be a boxing Champion and I am also a professional boxing coach. I have had an amazing life full of ups and downs which gives me great tools for my job as an actor. I started acting in 2009 and have performed at places like Edinburgh Fringe and even seen myself on the big screen at Cannes and Sundance.I love my life and time waits for no man so I live each day as if it were my last as one day it will be!
